To establish a cultural framework and operational monitoring programme for the Waikato River

This is an undertaking by the Tūwharetoa Maori Trust Board (TMTB), supported by NIWA working with Tīpa and Associates, Kusabs and Associates Ltd to establish a cultural framework and operational monitoring programme for the future monitoring of the health and wellbeing of Te Awa o Waikato.

Monitoring in this project includes the development of a report card for 'Te Matapuna Wai o Tongariro' based on a Tūwharetoa Cultural Health Indices.

This project received funding from the Waikato River Authority (11-093)
