A community led project for landowners near the Mangapiko Stream

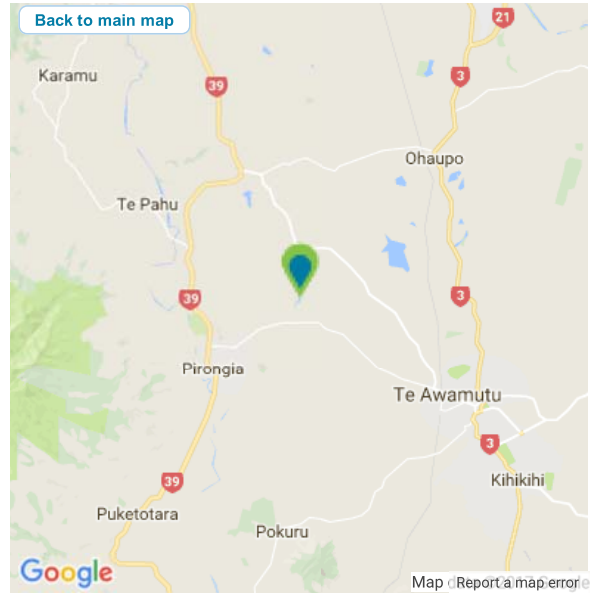

This is a community led project involving landowners, who live along the Mangapiko stream.

The Mangapiko stream runs between the townships of Pirongia and Te Awamutu.

Through working with the school and the local community, as well as iwi, agencies and councils, the Group will work with a wide range of individuals and organizations to ensure there is maximum uptake of the intended outcomes.

This project has been funded by the Waikato River Authority (WRA 12-013)
