

### Stream and wetland enhancement in South Waikato

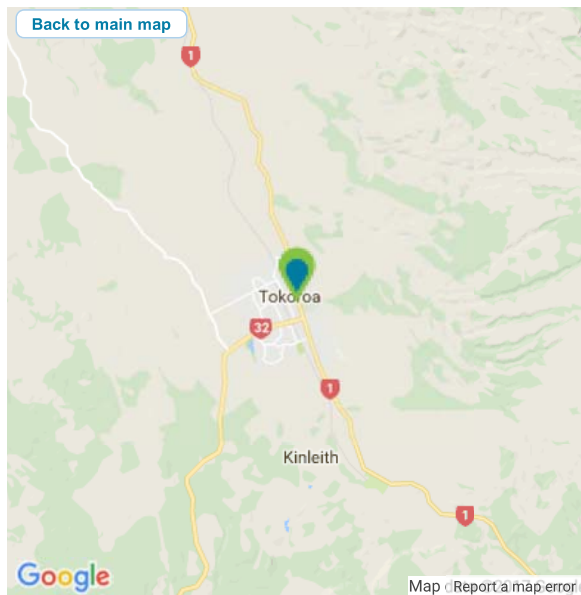

South Waikato Environmental Initiatives - James Piddock  
 07 885 0798  
 james.piddock@southwaikato.govt.nz

This project aims to improve the biodiversity linkages between the Waikato River and tributaries in the South Waikato district.

The work will be approached through supporting the existing funding of planting riparian margins and wetland areas by the SWEI and the South Waikato District Council. This is a Waikato River Authority funded project (WRA 14-038)
