Hello Steve

Please find attached documents in reply to a question by Commissioner Trevor Robinson

Commissioner Robinson queried a map on a ppt slide that I presented for Farmers for Positive Change Block 2 re subcatchment ranking of contaminant loss – see attachment F4PC Gleeson subcatchment ranking

These maps have been taken from documents attached “Waikato CSG Subcatchment contaminant load prioritisation maps” and these from “Waikato CSG Subcatchment contaminant load prioritisation” p3 – 6

These documents are collated from those available on the WRC website for Plan Change 1 Collaborative Stakeholder Group workshop portal

If you have other queries please do not hesitate to contact me

Thank you
Kind regards
Graeme Gleeson
