**MY SUBMISSION IS THAT**

*Tell us the reasons why you support or oppose or wish to have the specific provisions amended.  
(Please continue on separate sheet(s) if necessary.)*

I write this submission as a member of the community that is affected by the outcomes of the decisions made on this matter.

Water has been traditionally a free economic good for a number of years. The time for this to remain a free economic good has past.

If we continue to privatise profits and publically fund costs related to waterway health, there will vast detrimental environmental outcomes.

I want to be able to swim in our river

I want our rivers to service our eco-systems in a healthy way

I ask that decisions made reflect the wider community impacts of the decisions made.

Thank you
