

Transfer of records (permitted activity) Whitebait stand

Notes

The Waikato Regional Council's permitted activity rules have a number of conditions attached that generally relate to:

- the general activity
- the possible effects on the surrounding environment as a result of that activity.

If compliance with all the conditions of the relevant permitted activity rule can be demonstrated, the Waikato Regional Council is unlikely to have any concerns. However, if the whitebait stand holder is unable to comply with any or all of the conditions, they will need to cease their activity and carry out a similar activity that can meet those conditions.

This form allows us to update our records about a permitted activity. Please complete this form and provide as much detail as you can. A photo of the whitebait stand is also required when you submit this form.

Remember to sign and date this form and email to RM.Requests@waikatoregion.govt.nz or by post to Waikato Regional Council, Private Bag 3038, Waikato Mail Centre, Hamilton 3240.

If you require further assistance, please phone our Resource Use staff on **0800 800 402**.
